

2017 Turfgrass Short Course

The **Turfgrass Short Course** is designed to meet the needs of all turfgrass professionals, regardless of occupation. Intensive training will allow you to make better decisions in daily turfgrass management that will improve both the quality of turf and your job.

Establishment and cultivation practices suitable for all turf management programs will be discussed.

We are holding a seat for you!

2017 Turfgrass Short Course

What is being offered?

The annual Turfgrass Short Course, designed for all segments of the turfgrass industry, is being taught in Henrico County from December 11 - 14 (Mon - Thur).

The Short Course is an extensive overview of the principles and practices in sound turfgrass management that can be applied to any segment of the industry (golf, lawn care, sod production, sports turf, etc.). Whether you are new in the business and desire a crash course in the principles of turfgrass management, or even if you have a college degree in turfgrass management and want a refresher course on the basics and an introduction to the latest topics, this course is for you.

Who are the instructors?

Faculty and staff of Virginia Tech's Turfgrass Management Team lead all educational programs.

All segments of the turf industry will be covered in the Short Course

December 11-14, 2017
(Mon -Thur)

Where is the Short Course being held?

Belmont Golf Course Recreation Center
1600 Hilliard Road
Henrico, VA 23228

What Hotel is Available?

Several Hotels are within an easy driving distance of Belmont Golf Course.

What types of topics are being covered?

- Turfgrass Selection and Installation
- Turfgrass Identification
- Turfgrass Growth and Development
- Soil Science for Turfgrass Systems
- Cultural Management
- Nutrient Management
- Common Calculations
- Pest Management - Weeds, Insects and Diseases
- Environmental Considerations
